

# Superior Hydrogen Enriched Water

## Echo® 9 Water Machine

**The Echo® 9 Water Machine** is the ultimate in molecular hydrogen production, It is engineered with the most advanced technologies. The key element in the performance of the Echo® 9 is the really high concentration of molecular hydrogen dissolved in water. Echo 9® also produces beauty water and non-toxic germ killing water .

echo®  
hydrogen enriched  $H_2$  water

## Echo® Digital Faucet

**The Echo® Digital Faucet** connects to the Echo® Water Machine and allows the simple convenience of “one touch” access to molecular hydrogen drinking water along with the ability to deliver hypochlorous acid water to be used for chemical-free cleaning. Hypochlorous acid has more germ killing power than bleach but is non-toxic. The Echo® Digital Faucet provides hydrogen water with a touch of a button.

# Complete Solutions for Better Health

## Echo® EchoMist Bottle

## Echo® H<sub>2</sub> Tablets

**Echo® H<sub>2</sub> Tablets** were developed to enable individuals to have H<sub>2</sub> enriched water while traveling or on the go. It is also an easy way to increase concentration of H<sub>2</sub> in the water from your Echo® H<sub>2</sub> water machine.

**EchoMist®** produces both beauty & cleaning waters that the Echo® Machine produces. You will have the H<sub>2</sub> water to improve your skin plus HOCl for cleaning. You can easily recharge it with a micro USB charging cable (supplied) just like you would your cell phone.
